

# What our students say...

“My tutors have an excellent way of teaching and the environment at High Pavement was great. I chose to come here because I wanted to study with a diverse range of people and was able to pick and study subjects I enjoyed.”

**Bisma**

Progressed to Nottingham Trent University to study Real Estate.

“I couldn’t have asked for more from my lecturers at High Pavement who were always there to offer their support. Now I’m excited to start my next chapter.”

**Lewis Blackburn**

Achieved AAA and through the support of our Early Applicant programme, secured a place at The University of Liverpool to study Medicine.

“I’ve loved my time at High Pavement – being here helped me to realise that I am capable of great things and has inspired me to get out there and achieve.”

**Elizabeth Edwards**

Progressed to Aston University to study English and History.

“I wouldn’t be here without the support of my tutors and I’m delighted with my grades. It has made all the hard work worth it!”

**Charlize Tomlie**

Achieved Grades A\*A. Progressed to The University of Newcastle to study Combined Honours in Media and History.

Do you want to  
**strive**  
for more?

If you’re considering applying to one of the UK’s leading universities our brand-new Strive programme could be for you!

You’ll have the opportunity to join the Strive programme once you become a student with us. You’ll benefit from a tailored curriculum, enrichment opportunities and the chance to develop key skills to help your application stand out from the rest.

# APPLY FOR 2024!

To apply for a place at High Pavement Sixth Form for September 2024, head to our website to submit an application online, or come along to one of our Open Evenings.

# YOUR FUTURE

Over  
200 years  
in the  
making

2024

## Welcome to High Pavement, a dedicated Sixth Form right on the doorstep of Nottingham Trent University's City campus.

Here you'll find a vibrant, friendly, and supportive atmosphere, plus a fantastic team of experienced teaching staff, Personal Development Tutors and Wellbeing Mentors - they all have a wealth of experience and know exactly what it takes to help you succeed at A Level study.

We've got a modern, purpose-built campus and fantastic facilities. But did you know that our roots can be traced back to the original High Pavement School in 1788?

We think it's the perfect combination of academic history and forward thinking.

"I'm currently applying to university and the support I receive from my Tutors here has made me feel much more confident. They really take the time to review our applications and answer our questions - they are here for us every step of the way."

**Evan Lord**  
High Pavement Student

## Fantastic support and guidance to help you achieve your goals...

### University Application support

From personal statements to interview and assessment prep, our teams of UCAS Advisors, Early Applicant support, Grade Higher Tutors and our brand new Strive programme means you're supported throughout the entire application and admissions process.

This can be particularly useful in preparing for Oxbridge, or those more difficult to access application processes, such as for medicine and veterinary science.

### Fantastic Progression Options

If university isn't for you, or you're unsure of your next steps we offer advice and support with Degree Apprenticeships applications and employment progression post A Level study.

## WHY CHOOSE HIGH PAVEMENT?

- **The widest range of study options in the region!** With 23 A Level subjects, 3 Applied general qualifications (BTEC and WJEC) and the Extended Project Qualification, you have the flexibility to choose the combination that best suits your aspirations.
- Extensive access to University and Careers Fairs, with representatives from major universities, local and national employers, and opportunities to take part in employment workshops and fun activities.
- Purpose-built facilities, including state-of-the-art laboratories, computers with the latest creative software and a well-equipped Student Hub.
- **A mature learning environment** - you'll have more independence, be on first name terms with your tutors and surrounded by like-minded students.
- From sports teams and workshops to trips and activities such as ice skating, boxing and yoga; our Student Wellbeing team run lots of activities, sessions, and programmes to support your wellbeing and enhance your experience outside of the classroom.

All our students benefit from a Personal Development Tutor and have access to Wellbeing Mentors, Careers Advisors and our Student Services Team.

## YOU DON'T HAVE TO GO FAR TO GO HIGHER!

Did you know Nottingham College offers a huge range of university courses in partnership with the Open University and Nottingham Trent University?

We work closely with our very own Higher Education Team who are available to offer guidance and support on your next steps if you choose to stay with us!
